Azur - created with a conceivably impossible objective to design a bath with ample interior space but truly modest outer measurements.

The bath and its front panel made from Xonyx™ massive stone are combined as one form without visible seams. Drain plug with up- and down function of opening-closing is covered with the same Xonyx™ finishing as the bath. Bath is provided with a overflow opening. Massive bathtub is installed on a strong frame with height adjustable legs.

**XONYX™**

## Front panel colour options:

**PS.**

• As standard this bath is offered in white finish. Black and red colored panels are optional.  
• Please request if any other color (according to RAL color system) is needed.
